

Sunny Days

Armin van Buuren

She woke up in the morn-ing

with the sun-rise in her e-yes

But all that she's see-ing is dark-ness

She won't tell you why

No more but-ter-flies 'cause they don't ne-ver last

Stol - en from the light by de - mons of the past

al-ways rain - ing

She keeps on pray - ing

Oh sun-ny days lift me when I'm down

Oh sun - ny days__

break you through the clouds Oh sun - ny days__
